Realistic Dual Layered Dildo with lifelike veins, improved suction cup base, life like head and Soft Skin

Realistic Life Like Veins and Balls

The soft, squeezable shaft with painted veins massage your inner walls during insertion. The dual-layered balls allow comfort while riding this dildo, or can be squeezed during partner or solo play.

Life-Like Penis Head and Shaft

Each dildo is handcrafted with a life-like head and painted shaft with veins. Experience the soft dual layered skin and firm inner core during use. The dual layers allow for maximum pleasure during insertion. The sculpted penis tip is perfectly shaped for insertion.

Dual Layered Skin for Pleasure

Designed to recreate a soft skin feel; realistic feeling dual layers make a soft outer skin feel for optimum pleasure. This Real Touch skin offers a life-like soft skin exterior and a smoother feel. Designed with realistic sizes and shapes for enhanced pleasure.

Soft Dual Layered Skin and Firm Inner Core

The Cloud 9 Dual Density dildo features a softer outer skin and slightly firm inner core. This allows for the enhanced sensation of soft skin and slightly more firm shaft during play. Experience the most realistic dildo experience with these dual layers.
